

# HOLIDAY PIE MENU

Order **cut off Wednesday 11/17** by end of day or until orders are full.

All orders are **final and non-refundable**. We will not be changing any pickup dates or times once your order has been placed. Please take note of the NAME, DATE & TIME your order is placed, you will need that info to pickup your pie and without that info it will create unnecessary delays. **DO NOT COME EARLIER** than the time specified on your order as we are an extremely small bakery with limited staff and storage, finishing right on time allows us to bake you the freshest pies possible.
